WALL STREET

A wavering tendency in standard se urities, after the opening of the stock market this morning, was offset by pronounced strength in International Harmeter and all of the local tractions. On further favorable crop news, In-ternational Harvester made a spirited rise of 3 points. Local traction shares were persistently purchased.

Industrial shares were exceedingly weak during the afternoon trading. Liosses of from 1 to 2 points were com-

Any woman who keeps house and brings up a family knows the truth of the old rhyme-and how much harder it is when not in perfect health!

Many a wife endures with noble patience the daily misery of backache, pains about the hips and pelvis, blue, nervous spells, and urinary disorders, expecting no relief because she doesn't know what is the matter.

It is not true that every pain in the region of the hips and lower abdomen is "female trouble." When the kidneys get congested and inflamed there is con stant backache, headache, dizzy spells bearing down pain, urinary disorders and other queer pains which are easily mistaken for sex allments, but which are due to the swollen, sick kidneys.

You can tell that it is kidney trouble if the secretions are dark-colored and contain sediment like brick dust, if passages are too frequent, or scanty, or scald like hot water. And the uric acid poisoning makes you dull and tired, fretful
